Welcome to the Department of Family and Community Medicine's 2016 Celebration of Faculty Achievement! As this year's honourees show, our Department's faculty members continue to provide clinical and academic leadership, shaping the future of family medicine in Ontario, Canada and across the globe.

Tonight we are celebrating award winners, junior and senior promotions and new faculty members. These honourees display the diverse innovations and impacts that our faculty continues to make both within and outside our department for learners, health care professionals, patients and the public.

Congratulations and thank you for all of your hard work and dedication to advancing primary care practice, education and research.

Sincerely,  
Dr. David White

The Leadership Basics program fulfills important needs within the Department by stimulating attendees to self-identify as leaders. The program helps to foster mentorship relationships and helps support faculty to take on leadership positions. The attendees describe the program as helping them hone their leadership skills by interacting and listening to other family physicians and encouraging and supporting them to take on leadership roles.

## Excellence in Creative Professional Activity

**Dr. Anton Helman***North York General Hospital*

Dr. Helman is being honoured for his efforts in developing and implementing the “Emergency Medicine Cases” website and podcasts which have had national and international impact with over two million downloads. Dr. Helman’s incredible vision and execution of “Emergency Medicine Cases” goes way beyond just a novel development of an innovative instructional method. He has contributed to innovative change in how Emergency Physicians learn and interact.

## Excellence in Development and Use of Innovative Instructional Methods

**Dr. Abhimanyu Sud***Trillium Health Partners - Mississauga Hospital*

Dr. Sud is being honoured for his efforts in organizing the Safe Opioid Prescribing Program. The course is described as being a unique and innovative program that demonstrates a scholarly approach to program development as a longitudinal, blended webinar-based program. Dr. Sud is noted for his passion and dedication to the program.

## Excellence in Leadership

**Dr. Stuart Murdoch***Royal Victoria Hospital*

Dr. Murdoch is recognized for his outstanding leadership in developing strategic partnerships to improve health and Family Medicine scholarship and by building the Royal Victoria Hospital Family Medicine Teaching Unit while serving as Program Director and Chief of Family Medicine.

## Excellence in Social Responsibility

**Dr. Meb Rashid***Women’s College Hospital*

Dr. Rashid is recognized for his unwavering commitment in developing the medical infrastructure needed to support some of the most vulnerable people in the world when they arrive in Canada, most recently the support that he has given to the Syrian refugees. Dr. Rashid is improving the health of all Canadians and helping us, as physicians and Canadians, in helping to make the world a better place.

## Sustained Excellence in Teaching

**Dr. Rajani Vairavanathan***Michael Garron Hospital*

Dr. Vairavanathan is honoured for her commitment and contributions to teaching. She is described by one of the residents as standing out amongst his colleagues as one of the most innovative, hardworking, well rounded and enthusiastic educator and mentor that they have had the pleasure of working with.

## Outstanding Contribution to Family Medicine Research

**Dr. Frank Sullivan***North York General Hospital*

Dr. Sullivan is recognized for his outstanding contributions to Family Medicine Research on the basis of demonstrated research productivity, mentoring, departmental contributions and national and international recognition. The Ideas to Proposal Course has served to convene established faculty with research experience with faculty aspiring to integrate some research into their practice. This has not been achieved before.

## Research Excellence - Senior Investigator

**Dr. Cynthia Whitehead***Women’s College Hospital*

Dr. Whitehead is being honoured for her contributions to Family Medicine Research. She is recognized for both her productivity and impact. Cynthia is one of a small number of individuals who combine clinical, medical and doctoral level expertise in social science theory and methodology. She has a unique ability to critique and advance the field of medical education and she is doing so in a way that is attracting interest and admiration internationally.

## Research Excellence - New Investigator

**Dr. Tara Kiran***St. Michael’s Hospital*

Dr. Kiran is recognized for her contributions to Family Medicine Research. Dr. Kiran has developed a research portfolio of high impact policy-relevant work that is strongly influential locally and that has international reach through various publications. Her research addresses many of the core issues facing primary care today including system transformation, payment reform, quality improvement and meeting population health needs.

The Louise Nasmith Award

**Dr. Kimberly Lazare**

*North York General Hospital*

Dr. Lazare is honoured for commitment to scholarship within the department. Her educational module on Motivational Interviewing (MI) will be highly beneficial to family medicine residents.

Quality Improvement Award of Excellence

**St. Michael’s Hospital Family Health Team Cancer Screening Working Group**

- |                   |                     |

This SMHAFHT Cancer Screening Working Group has been a pioneer in the field of measuring and improving cancer screening in a very large and complex family practice environment. They have shared best practices with their peers and achieved sustained improvement locally. This impact, through application of QI methodology in a real-world setting, is an achievement of excellence that is worthy of recognition.

Staff Excellence in Collaboration

**Ms. Fadia Ayoub**

*DFCM*

Ms. Ayoub is recognized for the important work that she has done in developing and implementing the Teaching Practices Video Project which has become an integral part of the TP/RRP/RNI Program. Without Ms. Ayoub, the Teaching Practice would not be what it is today and she deserves every acknowledgement for her continued dedication to a successful DFCM program.

Staff Excellence

**Mr. Brian Da Silva**

*DFCM*

Mr. Da Silva is recognized for his hard work and dedication within DFCM. Brian has and continues to make an outstanding contribution to the DFCM for the daily workings to stellar work above and beyond his role. He is always open to a challenge and his hard work pays off in the form of the excellent products he produces on his own and with every program and partner that he assists.

Staff Excellence

**Ms. Joanne Mount**

*Michael Garron Hospital*

Ms. Mount is recognized for her hard work and dedication within the DFCM most notably for work with residents at TEGH. Her tireless efforts and continuous advocacy on their behalf is well documented and acknowledged by residents and faculty.
