Opportunity for a part-time family physician to provide a wide range of primary care to patients registered with the mental health program of North York General Hospital. The clinic has a designated title – The Family Practice Mental Health Clinic of North York General Hospital

Clinic Location – 2 Champagne Drive, which is the Champagne Centre Mall (Dufferin & Finch neighborhood) with free outdoor parking, a pharmacy, lab and Xray on site

Job Description – all patients registered to the clinic are part of an ongoing program with North York General’s psychiatry department and have at least one of a psychiatrist, social worker, addictions counsellor, or community support worker assigned to them.

All aspects of general practice are provided in a crisp modern friendly environment in a collegial relationship with the above-mentioned health care providers and administrative staff. There is an opportunity to consult with the mental health providers on a regular basis and they in turn will often request guidance from the family physician.

There is an office/consulting room plus a well-equipped examination room provided, as well as all the secretarial support necessary to run the clinic. There is no overhead charge to the physician.

Remuneration is via OHIP with the physician responsible for making regular submissions. All patients’ charts are on the Accuro EMR, and consultation reports & test results are electronically received.

Typically, the clinic hours are two half days per week, i.e. Tuesday and Thursday. There are opportunities to expand the hours, to teach medical students, nurse practitioners and family practice residents from U of T and from other universities, and for family practice-based research if there is interest in doing so.

If further information is required, please contact the following:

Dr. Kam Ganesan – current physician – kam.ganesan@gmail.com
