LOCUM FAMILY PHYSICIAN
TORONTO WESTERN HOSPITAL FAMILY HEALTH TEAM
GARRISON CREEK

Garrison Creek is a community-based academic clinic in St. Clair West Village. We are part of the Toronto Western Family Health Team and are an academic site for medical students through the University of Toronto Department of Family Medicine. We are a dynamic group of 12 physicians in an extremely collegial and supportive environment.

Currently seeking a locum at our site. The successful candidate must be:

- A family physician with an interest in working with a diverse population for a FHO roster of approximately 900 patients
- Hold an MD degree and certification in Family Medicine from the College of Family Physicians of Canada
- Eligible for an academic appointment within the Department of Family and Community Medicine at the University of Toronto
- Experienced and interested in teaching undergraduate learners

This practice is well supported by a variety of Allied Health Professionals including Nursing, Nurse Practitioner, Clinical Pharmacist, Social Workers, Dietitian, Physiotherapy and other professionals. The office uses Telus PS Suite EMR.

Responsibilities include clinical work for 5 half days per week as well as management of electronic and paper results/message. A half day per week for administrative work is also provided.

Remuneration is set at $475/half day, including admin half day (9-12pm, or 1-4pm, or 5-8pm). The start date is July 1, 2024 - January 30, 2025 (dates may be flexible).

If interested or any questions, please send cover letter with CV to Sarah Mahmoud at sarah.mahmoud@uhn.ca.
